Please only come to the building if you have a place on one of these courses or an appointment. The reception is not open to the public - if you have a question give us a ring.

Please note you will be required to wear a mask when entering the building unless you are exempt from wearing one. You must follow our Covid-19 rules to keep everyone safe.

If you have an Covid-19 symptoms you must self isolate for 10 days or longer if you are still unwell.

Please wash your hands just before you leave home to come to a class and wash them again when you get back home.

On entering the building please use the hand sanitiser before touching the door. You should leave the building by the exit that your tutor says and not leave by the main entrance as we are operating a one-way system.

We also have a QR code so if you download the app you can scan your entrance and then you would be automatically contacted if someone tests positive at the time that you occupied the building.
